 2nd VP Linda McCune
 Recording Sec.....Patsye Thurmon
 Corres. Sec.....Diane Alsop
 Parliamentarian.....Susan Fowler
 Treasurer Kathleen Benedict
 Editor /Webmaster.....Pat Stonecipher

Sisters of Pi Chapter,

We had such a wonderful evening for our Cinco de Mayo Founders' Day celebrating 79 years of Pi Chapter as part of the Tennessee Society Organization (formerly Xi State) of Delta Kappa Gamma International. What a wonderful turnout for the event! We were able to see many faces/smiles that we had missed over the two years of our biennium. The program for the evening consisted of celebrations and remembrance for you and our sisters in Pi Chapter. Dr. Beverly Hall and Dr. Elaine Vaughan each had a timely and purposeful message for our Chapter, we truly are one with one another in Pi Chapter and without all our joined experiences and expertise, Pi Chapter would not be the success that it is. Along with our TNSO past and current presidents', we were also hosts to Zeta and Beta Phi Chapter members who joined us for our 79th year along with Area II Directors, Kay Moss and Carolyn Cox. We were graced with the presence of our Vera Jo Henegar Grant recipients from last year and this year along with their families. The Hazel McCreary Special Classroom Grant recipient, Denise Houdeschell and two of her students from the ACCTC Teaching As A Profession program was our final recognition as we took a moment to honor sisters in our chapter who have lost their spouse during these last two years. It was a special and precious moment for everyone in attendance. Our evening ended with a review of DKG Founders, their purpose and challenges as they worked to develop and establish the organization for women educators. Each member in attendance was asked to take a few moments to write a thank you note to a founder. These thank you notes were then presented to the TNSO current and past presidents.

It is mind-boggling to think that since March of 2019, Pi Chapter had only met a handful of times in person, maintained most of our meetings online, and were still able to achieve our goals for our community projects and our members by providing timely and purposeful programs and continuing our grant-in-aid and grant programs, We credit these successes to you, our sisters of Pi Chapter. How wonderful to have a group that will stand steadfast in times of unexpected and prolonged turmoil!

This special edition of the Pi Chapter Newsletter is filled with photos from the evening's Founders' Day festivities. If you were in attendance, we hope we were able to catch your smile during the evening.

Love in service,
Vikki and Abbi

Hope you
enjoy our
special
edition!
